## **"WHY SPIRITUAL INTELLIGENCE IS ESSENTIAL FOR SURVIVAL?"**

The life conditions and problems we face as humankind, as countries, as organizations and as individuals demand elegant solutions. The type of mature person who can respond to such situations effectively is a leader who demonstrates an advanced stage of personal development. These high levels of development are linked to **spiritual intelligence**. Thus, a mature individual requires **spiritual intelligence** development in order to lead from the inside out in his personal and professional life.

In this session you will acquire insights and practical advice on how to develop your spiritual intelligence. We will explore the importance of spiritually intelligent individuals in our society through understanding following:

1. What life conditions do we face now as a nation and as an individual?
2. Multiple intelligences – what they are and specifically what is spiritual intelligence?
3. Stages of spiritual intelligence development and how it can be developed to be best prepared to cope effectively with the life
